Dear Pastors and Friends,

Savannah and I hope that you have had a merry Christmas and a happy new year! Thank you for all of your prayers for us as we traveled back to Virginia from California. We visited some churches in Texas and Georgia on our way back and were thankful when we arrived safely in Virginia. Wherever the Lord directs us on deputation, we try to always give out gospel tracts and witness to people. The Lord worked in a unique way with a witnessing opportunity that we had. It was a Monday, and we were leaving to go to our next meeting. During the church meeting that we had the day before, we met an Air Force chaplain and his family. Throughout the many churches we have been to, we have met a lot of families, so we really didn't think too much about it until the next day. As we were leaving town, we stopped at a place to grab some food before we hit the road. An Air Force airman was sitting at a table outside waiting for his food. The wait for our food ended up taking an extended period of time. We saw it as an opportunity to witness! We ended up being able to explain the gospel to him twice before we got our food. The Lord brought the chaplain to our mind that we had met the day before, and we gave the airman his information in case he had any more questions. We also reached out to the chaplain and told him what had happened. It was so neat to see the Lord line up the pieces so even though we probably won't see the airman again, he still has access to a Christian and a good local church. Please pray that this airman would get saved. Also, please continue to be in prayer for our safety on the road. We will be traveling to Georgia and doing a lot of meetings there for the month of January.

For the furtherance of the Gospel,
Matthew and Savannah Gardner
