Dear Pastors and Friends,

Deputation:

Thank you for all of your prayers for Savannah and our mini missionary. We found out some exciting news this month: we are having a baby boy! The Lord has been so good to us, we have been in a lot of meetings this month, and Savannah's pregnancy has been fairly easy up to this point.

It is neat to see that when an obstacle comes into your way that is out of your control, God has a way of working around it. Before Savannah and I started on deputation, I was meeting with several unsaved men and giving them the gospel every chance that I could. Now that we are traveling around the country, I haven't had a chance to see these men anymore. I still pray that they will get saved, and God worked around the obstacle of us not being in Virginia. One of the men got Covid and called me on the phone. He is now taking his eternal destination more seriously. He didn't get saved, but pray for him as I continue to give him the gospel via email and phone. His name is Ali.

Uganda:

The Ugandan schools are opening up again in Soroti! It is a staggered opening, but school should be fully opened by the middle of March. Please pray that this staggered opening will go smoothly as there are many moving parts involved. Ugandans have school year round, so once they get things going, it will be easy to maintain.

For the furtherance of the Gospel,
Matthew and Savannah Gardner
