Prayer Requests at a glance

1 - For Savannah to have a safe pregnancy and delivery.

2 - For meetings to continue to get booked.

3 - For safety on the road as we travel.

4 - For Ali and Amos to accept Christ as their Savior.

5 - For us to have wisdom in buying a car.

Dear Pastors and Friends,

We have a lot to praise the Lord about this month! We have just completed our eighth month of deputation, and we just reached the 45% support mark. The Lord has been SO good to us. Our meetings have almost taken us along the entire East Coast this month. We have thoroughly enjoyed the blessing of getting to meet so many wonderful Christians! This month we have been able to give the gospel out in five different states.

Towards the end of the month, our car started making a stange noise. We already had some repairs scheduled for next month, but we wanted to get the noise checked out before we made a 1,200 mile, round-trip journey to our next few meetings. Our mechanic said that the problem was extensive and made the car dangerous to drive. The repairs were more than the car was worth, so we decided to begin the search for a (new to us) used car. We praise the Lord for all the blessings from this: He allowed our car to be safe until we were in our home town and close to our mechanic; He brought a person along our path that gave us a great price to sell our damaged car; He has provided a temporary car for us until we purchase our next car; and He has already provided all of the money that we will need for the next car! Please pray that the Lord will lead us to the car that He would have us buy.

Also, please continue to pray for Savannah and the baby. They are both doing well. Savannah and I can't wait to meet him in July!

For the furtherance of the Gospel,
Matthew and Savannah Gardner
