Dear Pastors and Friends,

Savannah and I have had a full two months of meetings! We have been in many states and have gotten to give the gospel out to many people throughout those states. We praise the Lord for both of these things. We would also like to praise the Lord for His goodness as well as for His provision. There were some bumps in the road with trying to register the car that the Lord just provided for us, but He has worked all of the problems out, and the car is now good to go! Please pray that there will not be any more car problems that arise.

Savannah got a great soul winning opportunity while at the doctor's office for her baby check-ups. One of the midwives at the practice was curious about what I did for a living. Savannah used our missions work as a segway into the Gospel. Please pray that Michelle will get saved. The Lord has worked it out that Michelle will be the one who delivers our baby boy, and we are planning on giving her the Gospel again at this God-given opportunity.

I would also like to request prayer for Uganda. There are Covid outbreaks all over the country right now, and President Museveni has ordered the country back into lockdown. Please pray for the safety of the people as well as the missionaries that are over there. A missionary friend that let me stay at his house when I visited Uganda just passed away from Covid while still on the field.

Our most urgent request is for Savannah. At one of her check-ups a few weeks ago, her lab results came back revealing some minor complications that have arisen. She is doing fine, but if any of the complications worsen, the situation would get dangerous for both her and the baby. The doctors have decided to induce her at the thirty-seven week mark which will be tomorrow (July 2nd). Please pray that her delivery will go smoothly and that she and the baby will be perfectly healthy. This induction has been a blessing in disguise on multiple levels, and we are thankful that God always knows what's best! We will introduce the little man to you in our next prayer letter. We will be taking some time off to give Savannah some time to recover before we resume meetings.

For the furtherance of the Gospel,
Matthew and Savannah Gardner
