Dear Pastors and Friends,

Deputation:

We would like to thank you for all of your prayers for us. The Lord has prospered us throughout the month of March. As we conclude the month, we are past the 90% support mark! As of this first week of April, we need about four to five more churches to take us on for support, and then we will be fully supported and ready to start packing and prepping for the move to Uganda! We praise the Lord that we have arrived at the end of our deputation trail. Our shipping container is scheduled to be loaded August 13th, and then it will be shipped out a few days after that. We have already bought our plane tickets as well! We will be flying out on August 23rd. Please pray for us as we finish up the final months of meetings and then start on all the logistical prep work to move our entire life all the way around the world.

Uganda:

We have already been in contact with several entities in Uganda in preparation for the move. We would like to publicly thank Alan Sutphen, the veteran missionary we will be working with, for all of his help in preparing us for our move over. We have been in contact with a Christian clearing agent that has helped guide us in the area of our shipping container. Our mission board is already starting some of the work for our work visas. It's exciting to see everything coming together! Please pray that there will be no problems or delays with all of our paperwork and legal applications.

For the furtherance of the Gospel,
Matthew and Savannah Gardner
