Prayer Requests at a Glance

- 1 - For Jedidiah, to accept Christ as his Savior at an early age
- 2 - For our family to stay healthy
- 3 - For all the new converts to come to church and to do their discipleship

Dear Pastors and Friends,

Thank you for all of your prayers and your patience over these past 3 months. The Lord has been working so much here in Soroti that we have had a hard time keeping up! Over the past three months, 65 souls have received Christ as their Savior! I would like to tell you some of their stories.

Our church goes soul winning every Saturday. One of the soul winning teams knocked on a door to find that the people had just moved in the week before. It was an organization that finds homeless street boys and takes them in until they can be reunited with their clan. The leader of the organization said that they were looking for a church to go to now that they had moved into town. We went there and preached to 16 street boys and 13 of them decided to accept Christ as their Savior! We have since gone back every week to disciple the group in their new-found faith. We praise the Lord for the doors that He has been opening for us.

One of the things I try to do each week for some of my soul winning is to find a business owner and sit with them to talk while they wait for customers to come. I had been witnessing to the same business owner named Alaso every week for an entire month. Each week, I would go through one part of the gospel. After thoroughly hearing the gospel many times, Alaso decided to come to church. Our national pastor met with Alaso after the service and presented the gospel one more time. Alaso then decided to get saved!

A man named Gideon memorized all his verses to earn a Bible. Through memorizing the verses, he realized he needed to get saved. After accepting Christ and getting his Bible, he went to his village and starting telling all of his family how to be saved. Three more people accepted Christ through his efforts. Gideon's brother was so encouraged by this, he went to his village and spent all day witnessing to people there; 16 people accepted Christ in that village. Please pray for all these souls as we now go through discipleship with each one.

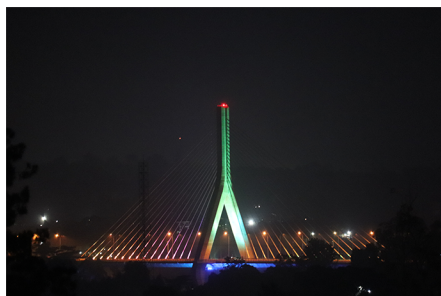

For the furtherance of the Gospel,
Matthew, Savannah, and Jedidiah Gardner
